We would like to recognize **Olive Valle** as our star student this month. She always follows the classroom routine and the teachers directions. She enjoys helping her classmates and teachers. Keep up the great work Olive!

Jr. Kinder

Sonny O'Donnell is new to our school but has easily adjusted. He enjoys non-fiction books, which helps with his large science vocabulary. He also really enjoys "free time" where he can build with Legos or work on a large floor puzzle. He has good manners and always says "please" and "thank you". Keep up the great work, Sonny!

Kindergarten

I would like to recognize **Ashton Anguiano** this month as our first grade star student. He is constantly making good choices, is responsible and a good helper in the classroom. Keep up the great work!

First Grade

I would like to recognize **Emma Ochoa** as our November student of the month. Emma is a class leader and demonstrates strengths in the 6 pillars of character. Trustworthiness, Respect, Responsibility, Fairness, Caring and Citizenship. Emma is always willing to lend a helping hand to all. I am proud of all her effort and look forward to seeing her excel in second grade. Keep up the amazing work Emma. We are proud of you!

Second Grade

Ms. Rosie Ramirez is in the office early in the morning to greet each child, she then makes her way into the classroom to start their day. As our Jr. Kinder lead teacher she prepares the children for the coming school year in Kindergarten. The children also learn to sing, dance, and love our Lord. With her many years of experience, she has become attuned to the children's needs. We have been blessed to have Ms. Rosie for so many years.

- Ms. Martha

Staff

Ms. Erica Mosley, our 2nd grade teacher, goes above and beyond in all that she does. She is always upbeat, nice, patient, encouraging, understanding and hardworking. She is our go-to colleague whenever there is a need. Glenoaks is very blessed to have Ms. Mosley on our staff, thank you for all that you do!

- Mrs. Vasquez

My Star Student for the month of November is **Yaaziel Pena**. He is the best 6th grader at Glenoaks Christian. Not only is Yaaziel an excellent leader, he strives to do his best. He even created a personal motto for the year. "Going the extra mile." I appreciate all you do Yaaziel.

Fifth Grade

Jonah Ochoa has a consistently upbeat demeanor, unwavering enthusiasm for learning, and remarkable diligence in his academic pursuits. Jonah's punctuality in submitting assignments and his proactive approach in completing them ahead of schedule are exemplary. Additionally, Jonah actively engages in chapel activities, demonstrating a genuine delight in performing on stage with his peers, all the while spreading his infectious positive attitude throughout the school.

Fourth Grade

Christian Garcia does a great job following classroom rules, and has improved with transitioning from one subject to another. He is very knowledgeable in the Bible and helps us understand a lot of the hidden messages in our daily Bible classwork. I appreciate his brutal honesty and maturity to understand right and wrong decisions and the consequences to those actions.
