STAFF

Ms. Victoria Davis (Middle School Teacher) began teaching math and science to our middle school students. She has been a true team player. She took on the task of teaching math to our 3rd and 5th grade students for the 2nd semester and is doing a fantastic job. We are very proud to have her on our team.

Ms. Erica Mosley (2nd & 3rd Grade Teacher) works extra hard in making sure her students are prepared and continuously learning. She is always ready to step in when we need her and we always can depend on her giving her 100% effort in all that she does.

Our Preschool Star Staff Members are brand new! Please help me to welcome **Ms. Alondra** and **Ms. Gabby**. We are so excited to have you join our Glenoaks Family and look forward to getting to know you both!

Siena Martinson is a very motivated student and a great communicator. She follows classroom rules, and is always helping others. She is a blessing to have in our classroom!

PRE

Eden Cornejo is always friendly and kind to her classmates and teachers. She is helpful, creative and really knows her alphabet! Keep up the great attitude.

PRE

Minerva Garcia has come a long way and we are so proud to say she is our star student this month. She is a good listener and follows directions as well. Academically she is on task. She enjoys playing with her classmates and always offers to help. Keep up the good work Minerva!

JR. K

Aubrey True has shown a lot of interest in growing plants. She helps out in the garden during her daycare time and planted the tomatoes, which are now growing in the school garden. She definitely has a green thumb and enjoys getting her hands dirty.

KINDER

Star Students

George Sanchez is selected as Star Student because of his weekly efforts during April to do better in Chapel and towards being more respectful of his peers.

Middle School

Adrean Anguinao works diligently in class, and is usually one of the first students to complete our daily assignments. He has a positive attitude towards learning and almost always has a smile on his face!

Myles Gilmore has been showing tremendous effort this past month. I love that he is never afraid to ask questions. He is very respectful and loves to help wherever possible. I can always count on Myles to help me remember where we left off when correcting our work.

FIFTH

The student of the month for 1st grade is **Royce Ridley**. Royce has made tremendous progress this month. He works very hard to make sure his work is neat and done as his teacher has asked. He continues to make great improvement.

FIRST

SECOND

This month I would like to recognize **Renelyn Martinez**, 2nd grade. Renelyn recently joined us and has already made a huge impact in our classroom environment with her participation and insight. Renelyn is eager to help other students when needed and is such a helping hand.
