We are so proud of you!

My STAR staff member for the month is our 3rd grade teacher: **Ms. Amber Herrera.**

Ms. Herrera shows excitement and enthusiasm with new ideas and is always willing to volunteer to help our school flourish and shine!!

- Mr. Jackson

Staff

Our office manager, **Mrs. Jennifer Witmer,** has always helped make our first days of school run smoothly. She is able to assist parents with their needs and makes sure to have a solution. When children come into the office with a problem or a situation, she will help in making their day a little brighter. She is also the one responsible for giving our front office a great makeover and maintaining our new selfie station, which has given families new picture memories. Ms. Jennifer is our Glenoaks ALL-STAR!!

- Ms. Martha

Benjamin Urbina has started off this school year with enthusiasm and positivity. He comes to school energized and ready to learn. This is an important trait and I know it will help Benjamin have a successful 5th Grade year!

I chose **Gibran Curiel** as our first Star Student this school year. I admire Gibran's lightheartedness and his enthusiasm for writing and learning. I also appreciate his way of communicating his exact feelings to everyone. Keep up the great work, and this will be an amazing year!
