**Ashton Anguiano** is persistent and hard-working student. He comes to school with a smile and always ready to accomplish his classroom work. A great thinker and a problem solver too.

**KINDER**

This is **Ms. Herrera's** first year with Glenoaks and she has done a great job in building positive relationships with students and staff. She is always willing to lend a helping hand when needed and enjoys having lunch with her students every day.

**STAFF**

We would like to recognize **Ms. Rosie Ramirez** this month. She is our early morning greeter for all our little early birds and our Jr. Kinder teacher. She is always willing to step in and help out or cover a shift when needed. She does a great job getting our little preschoolers ready to enter elementary school. We really appreciate her willingness to go above and beyond and her dedication to our school.

**Jean Carlo** displays kindness and is always very helpful. Jean Carlo has shown great improvement and continues to put in his best effort to do so. I enjoy hearing him read because he really puts in the effort to sound out his letters when he does not know a word and does not give up. Jean Carlo is a very curious student and is always asking questions. His curiosity keeps everyone engaged throughout the day!

**FIRST**

**Sevigny Serpas** is an excellent role model to other students. Not only does she work hard toward achieving her very best, but she does it with enthusiasm. She is a kind friend who goes out of her way to help her peers. Way to go Sevigny!

**Jude Quinn** has a positive attitude, and I am proud of his recent progress. He has been working hard to complete his work inside and outside of class. Keep up the tremendous effort Jude!

**FIFTH**

**Ethan Landaverde** is improving academically and socially. He is aware of when he is slacking off and can get himself back on track without constant reminders from the teacher. I appreciate that he gives 100% on all his work assignments.

**FOURTH**

**Evan Landaverde** has been striving to improve his attitude and keeping up with assignments making him a great example of responsibility. He's an independent and careful worker. He's also an individual who has been accepting and works well with all his classmates.

**THIRD**

**Christian Garcia** has come a long way and is trying his best to take control of his actions and behavior. This month Christian was challenged to be like a leader and make the right choices. Christian was able to successfully improve his behavior and encourage his peers to make the right choices just like he was. Great Job Christian, keep it up!
