

CHAPEL Offerings

During Chapel, we accept offerings to help a local charity. Our first outreach was to provide sack lunches to our local homeless. We are now accepting towels to support their mobile showering stations.
Current Total: \$407.00

- 17 Emma Ochoa (2nd)

Bianca Zamarripa is a very good listener. She always follows the classroom rules and is ready to learn. She is very kind with friends and teachers, and is a pleasure to have in the class.

Keep up the good work!

Preschool

Chloe Ramirez has improved tremendously. She enjoys playing with her friends. She is full of energy and laughter. We are proud to say she is our star student this month.

Jr. Kinder

Frankie Durham has really grown throughout this year. He has shown he can be a responsible student and has been a good helper in class. Frankie has such a great smile and always tries to do his best. His writing especially has improved since the beginning of the year.

First Grade

In second grade I am challenging all my students and giving them the opportunity to earn student of the month. This past month I challenged both **Christopher Coreas** and **Trace Clark** who are successfully conquering their challenge.

Chris was challenged with demonstrating his inner leader. Chris is new to our school and brings such positivity and eagerness to his academics. He has grown tremendously since his start in summer school. He shows us if you want something, and work hard, you can achieve anything. He brings excitement and enthusiasm to our amazing ukulele group and school. He is a great addition to our school.

Trace was challenged with demonstrating positive behavior, self control and leadership skills. Trace is an intelligent student and a great friend. He excels academically and has demonstrated improvement in his overall behavior and self control. He has grown since the start of second grade and always comes to school with a smile on his face.

Both students have demonstrated growth in their challenge area. We will continue to challenge them to be the best version of themselves. Congratulations to both Chris and Trace on earning student of the month. We are so proud of you both. Keep it up!

Second Grade

Patricia Gonzales always has a positive outlook! She is a neutral friend who never picks sides but makes you feel loved and appreciated. She also believes in fairness and will defend against injustices. She has also been working very hard at being organized and staying on task with her work.

Third Grade

Evan Landaverde has shown remarkable improvement in his work habits, consistently demonstrating enthusiasm and dedication in class. Not only does Evan complete his assignments promptly, but he has also shown significant progress in working efficiently on finishing tasks quickly while maintaining high quality. Evan's positive attitude and strong work ethic serve as an inspiration to his peers and a testament to his commitment to academic success. I feel fortunate to have Evan as a student in my class, and I look forward to witnessing his continued growth and achievements.

Congratulations, Evan, on being recognized as the star student of the month!

Fourth Grade

This month, we recognize **Mrs. Samantha Redmond** as our Star Staff. Since her start in October, she has worn many hats, including PE, daycare, substitute, resource teacher, choir director, and finally opening up our 6th grade classroom. She was also responsible for writing and directing our fabulous Christmas Program! We thank God for blessing us with her plethora of talents.

- Mrs. Vasquez

Staff

This month I would like to recognize **Ms. Sarah Rodriguez**. As the children wake up from nap, Sarah gives them comfort and love. The children love her playfulness out in the yard. We have been blessed with a patient, kind, and caring teacher.

- Ms. Martha Veloz
