**Jameson Redmond** has come a long way and has improved greatly. He is a good listener and follows the rules in the classroom. He enjoys playing with the kinetic sand, reading and helping turn on the water for his friends so they can wash their hands.

Preschool

**Arabella Garcia** is our star student this month. She follows directions when given and enjoys helping the teachers.  
Way to go Arabella!

Jr. Kinder

**Kendric Brown** is a blessing coming back to our school this year. He is an energetic learner who shows a love for learning and engagement in the classroom. He is friendly to all students, responsible in the classroom, and respectful to everyone.  
Keep it up, Kendric!

Kindergarten

**Matthew Aparicio** has shown he is a true star student. Matthew has a positive attitude towards every subject and has greatly improved in Reading and Spelling this year. Matthew always has a smile on his face, tries his best and never gives up. Keep up the great work, Matthew!

First Grade

**Jayden Martinez** was challenged to show his bravery and strength by steering away from his wheelchair and walker. Jayden has successfully regained full mobility and is back on both feet. This was a challenge for him. He has successfully shown us all how physically and mentally strong he is. Jayden shines academically earning the high honor roll award and leads by example as one of our class representatives.

Second Grade

**Ms. Sandra Flores** has been an amazing Glenoaks team member. She is happy and willing to help *wherever* she is needed. Not only does Sandra open our school every morning at 7am, she was quick to start up our Library class. Her most recent endeavor has been assisting our First Grade class. Glenoaks Christian Schools is definitely blessed to have such a faithful and dedicated teacher.

- Mrs. Vasquez

Staff

This month our Star Staff goes to **Ms. Alondra Gutierrez**. We are so blessed to have her as our 3 & 4-year-old Lead Teacher. She is kind, loving, and very patient. She opens our school early in the morning, greeting the children with a big smile and gets them started with their day. Thank you for all your hard work!

- Ms. Martha Veloz

# Star Students

**Yaaziel Pena** is a student who leads by example. He listens to the input of his peers and teachers, and self reflects often. He easily adapts, sets academic goals, and is constantly striving for better. I am thankful for such a thoughtful, dependable, and respectful student. Keep working hard!

Sixth Grade

**Darla Perez-Gonzales** not only is she our *one and only* girl, but she is a kind friend to all her classmates. She thrives in working collaboratively with her desk partners. She is a quiet friend, and I love seeing her personality blossom as she feels more and more comfortable. Let's finish this year strong Darla!

Fifth Grade

**Naomi Arredondo** embraces new challenges with enthusiasm and determination, consistently striving to exceed expectations and surpass her own achievements. Your journey to excellence is an inspiration to us all. Keep up the outstanding work, keep shining, and may your star continue to ascend to even greater heights.

Fourth Grade

You would never be able to guess that **Ezra Shirayev** is new to Glenoaks. He has gained the trust of the girls, earned his gaming place with the boys and won the hearts of our teachers and Principal. He is polite, affectionate, intelligent, silly and easy going. He puts in 100% effort to earn his recognition in Chapel and good grades in all the 3rd grade subjects. It's been a real pleasure to have Ezra join our class this year!
