Count **Adalynn Contreras** in when it comes to Arts and Crafts. At a young age, she is exhibiting a strong sense of creativity. She does a lot of drawing and crafts out of colored paper to produce interesting pieces. Her favorite subject in most of her work is her dog. Keep it up Adalynn. Your art is so cool!

Kindergarten

Layla Soliz is kind, respectful, and considerate of others. Layla is a good helper to those in need in our class. She has really worked on being patient when she needs something and has grown in having the courage to speak and being able to share her thoughts and ideas when participating in class.

First Grade

In second grade I am challenging all my students and giving them the opportunity to earn student of the month. This past month I challenged both **Josiah Galena- Alvarez** and **Sophia Hernandez** to be more vocal and speak up in efforts to build upon their effective communicator skills. I'd like to recognize both students as our January students of the month.

Josiah has made huge strides in participating and expressing himself with his peers. Josiah thrives academically and is a leader in our class.

Sophia is a very bright student and dominates academically. Sophia is expressing herself more vocally and with her peers.

Both Josiah and Sophia are academically inclined, great role models and leaders. I'm proud of their efforts in becoming effective communicators and continuing their growth with this ongoing challenge. We are all proud of your efforts. Keep it up.

Second Grade

There is no doubt that **Miss Alma Duldulao** loves what she does for a living. She puts in her 110% each day. Whether it be in the classroom, where she creates a fun and interactive space; in the garden, growing enormous squash; and most recently with our new music program, starting our day with songs. We appreciate you Miss Alma!

Staff

It has been a blessing having **Ms. Gaby** with our preschool. She has the energy to entertain and keep the children busy throughout their afternoon. We are very appreciative of the love and care she has given to our little ones. Thank you Ms. Gaby for all you do for our school.
