Chloe Cherfane is such a great student! Her favorite thing to play is in the housekeeping area. She brightens up our classroom, is a good friend to all and is a great listener. Great job, Chloe, keep up the great work!

Preschool

Johan Molina is smart and caring. He has shown tremendous improvement and considering he is the youngest in the classroom he is determined to excel. Keep up the great job Johan!

Jr. Kinder

It's amazing to have this student who has a valuable attitude that can inspire everyone and can lead her to academic growth and success not only in her younger years but in the future. She has been a very quiet student but she has strong determination, motivation, and loves to learn and never gives up on her tasks. Kudos to **Seraphina Redmond!**

Kindergarten

This month, I am pleased to announce **Domenico Garcia** as our First Grade Star Student! I appreciate how responsible and respectful he is in and out of the class. Dom is a good friend to his classmates and a great helper. Keep up the great work, Domenico!

First Grade

This month I would like to recognize **Carlos Espinoza** as our December student of the month. Carlos was challenged with demonstrating leadership in his actions and with his peers. This month he has successfully displayed the characteristics of a leader earning him student of the month. This is an ongoing challenge where he will continue to thrive. He excels academically and actively participates making him a great student. Keep up the amazing work Carlos. We are proud of you!

Second Grade

Mrs. Audrina Cherfane, our 4th grade teacher, is the QUEEN of multi-tasking. Not only does she excel in her normal class duties, she has worked tirelessly on organizing our staff lounge, resource room, and Chapel media set up. Not to mention the amazing job she did with our Student Council campaign! She is a giver and loves to supply our staff with treats! Thank you Mrs. Cherfane for all you do.

- Mrs. Vasquez

Staff

This month I would like to show our appreciation to **Ms. Dina Cardona**. She is our Lead Preschool Teacher to our 2 and 3 year olds. We are blessed with her patience, love, and understanding for our youngest students here on campus. Thank you for all that you do for our school!

- Ms. Martha Veloz

I chose **Flynn Davis** as our class Student of the Month. Flynn has been such a delightful addition to our class. We love listening to his stories about farm animals, peacocks, camels...He is a wealth of knowledge. Flynn has made tremendous improvement in the short time since joining Glenoaks. I am very proud of you Sir Flynn.

Fifth Grade

Dallas Soliz has had remarkable progress and diligent efforts in completing assignments. His active involvement in Chapel and consistent positivity in class sets a great example. He demonstrated his enthusiasm by running for student council. Although he didn't secure the vice president role, he joyfully embraced the position of class representative. Keep up the fantastic work, Dallas!

Fourth Grade

Reyna Arredondo has been a great example of responsibility in class. She always lends a helping hand and has been doing her best in resolving conflicts when they arise. When Reyna was chosen to be the third grade representative initially she was nervous to take on a big role but accepted with grace and quickly got into finding out when the meetings will be and with whom. We admire and appreciate her natural leadership skills.
